This school package is a mobile field trip that comes to you, enabling a reduction in transportation costs, and full student participation. Our ponies and petting farm provide both entertainment and educational purposes, as children interact with critters most have only seen on television or read about in storybooks. It is perfect for Western or Barnyard theme days or a great addition to school carnivals.

Ponies are equipped with safety saddles, and the zoo comes with a hand sanitizer. You will receive 15-20 age appropriate animals, which would include sheep, goats, chickens, ducks, rabbits, piglets and 2 larger animals of your choice (alpaca, llama, calf miniature cow, pony for petting and brushing). Animals are subject to availability, to be sure to book your package early.
