To unload animals and setup for the event, **a parking space less than 50 feet from the staging area must be provided for our truck. The truck and trailer are 60 feet long**, comparable to a large semi- truck. If the staging area is more than 50 feet from the staging area, an additional charge may incur. Please let us know at the time of booking if this accommodation can't be met. At the close of your event, we must leave promptly to get to the next. Please don't allow your guests to block us in. It is crucial that the event's location be accessible for our trucks and trailers. The staging area needs to be flat, free of poisonous plants (oleanders) and harmful insecticides. No loud noises (bands, high striker, rollercoasters). Be aware that loud noises may spook the animals, thereby making them unable to perform. Be advised: if we are unable to perform due to loud noises, or unable to get to your event's destination due to road obstacles unsuitable for a truck and trailer, the client is still liable for the full cost of our scheduled service. Please provided driving directions (google maps) that begin from our ranch and end at the event location. Look them over carefully to ensure that we can safely get there with our truck and trailer without the use of toll roads. Our address appears at the top of this contract. Please email the directions, along with a copy of this contract, and a copy of the deposit check. It is the completed contract and deposit that will secure your date and time. If you have any questions, please call.

- I. **DEPOSIT:** There is a 4% processing fee for all credit card payments. Checks are acceptable for the deposit. To secure your date, please mail the deposit as soon as possible. Our mail delivery is slow, so to ensure that your deposit arrives on time, please mail it at least two weeks prior to the scheduled event date. It is the deposit that secures your time and date, guaranteeing that Giddy Up Ranch will pass on all other inquiries for your time slot. For this reason, all deposits are NON-REFUNDABLE. 24-hour notice must be given to cancel for rain or any other weather-related issues. Client can reschedule for another date, which is subject to availability. If Giddy Up Ranch arrives at the location per customer request, and the event is then rained out, the purchaser agrees to pay the full balance due to Giddy Up Ranch. Giddy Up Ranch reserves the right to refuse service to anyone. ____*
- II. **FORCE MAJEURE:** Neither Giddy Up Ranch or the client will incur liability or be considered in breach of this contract for failing to perform any obligations under this agreement if such failure results from Force Majeure or any other force beyond their reasonable control. ____*
