SCHOOL SPECIAL- MONDAY THROUGH THURSDAY, EXCLUDING HOLIDAYS

These packages are mobile field trips that come to you, enabling a reduction in transportation costs, and full student participation. Our ponies and petting farm provide both entertainment and educational purposes, as children interact with critters most have only seen on television or read about in storybooks. It is perfect for Western or Barnyard theme days or a great addition to school carnivals. Ponies are equipped with safety saddles, and the zoo comes with hand sanitizer. You will receive 15-20 age-appropriate animals, which would include sheep, goats, chickens, ducks, rabbits, piglets, (alpaca, miniature cow). Because animals are subject to availability, be sure to book your package early. Depending on class size, and to maintain these prices, we may require volunteers from the school staff to assist in our operations.
